

Scratch resistant finish

Silver anodised aluminium clamps and a black chip resistant powder coat finish on the trolley means Anders products keep their good looks for years.

More storage capacity

Vertical plan filing means that we can offer more storage within an equal floor space.

Quick release clamps

The clamps are spring loaded making filing and access to your plans much quicker and easier.

Easy referencing

Plastic inserts allow for clear labelling of plans

Large capacity

Heavy duty lockable castors coupled with solid trolley design offers a load capacity of up to 240kg.

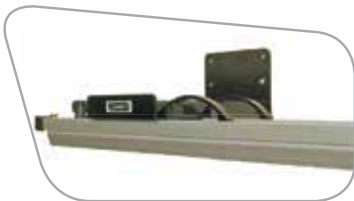

Easy to use

The simple slide and drop front loading systems allows easier use and access to your plans.

Wall Bracket

An economical and space saving method of filing drawings. Will hold up to 10 clamps. Finished in a scratch resistant black powder coating.

ANDERS PLAN FILING SYSTEMS

We believe that the Anders Plan Filing System represents the best value for money option available.
